ABOUT COMPANY

VISION / MISSION

OUR SERVICE

CONTACT

# ABOUT *company*

*Indian Tech Industries* is a leading manufacturer of high-performance cryogenic pumping solutions for industrial and medical gas applications. We specialize in pumps for LOX, LIN, LAR, CO<sub>2</sub>, and Nitrous Oxide (N<sub>2</sub>O) systems. Our products are engineered with a strong focus on precision, safety, and long-term reliability. With strict quality control and advanced testing, we ensure consistent performance in every unit. Our commitment to service excellence and customization makes us a trusted partner across industries

# OUR STRENGTH

**15+ Years**

*Industry experience in cryogenic pump  
manufacturing*

**2000+ companies Served**

*Trusted by industrial & medical gas companies*

**9001:2015 ISO CERTIFIED**

*Quality-controlled manufacturing standards*

**WIDE APPLICATION RANGE**

*LOX • LIN • LAR • CO<sub>2</sub> • N<sub>2</sub>O • LNG*

**PAN INDIA SERVICE & SUPPORT**

*Fast installation, service & spare parts*

## Our Value

# Mission

---

- To deliver safe, efficient, and reliable solutions for every application
- To ensure strict quality control and advanced testing at every stage
- To provide fast service support and customized solutions
- To build long-term partnerships based on trust and performance

# Vision

---

To become one of India's most trusted and leading brands in cryogenic pumping solutions, known for quality, safety, and engineering excellence.

# Milestones

---

**2007**

Indian Tech Industries  
established with a vision for  
industrial excellence.

**2014**

Expansion into LOX, LIN & LAR  
cryogenic pump systems.

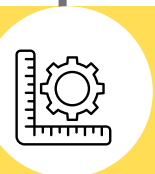

**2017**

Added CO<sub>2</sub>, N<sub>2</sub>O & high-  
pressure cryogenic/LNG  
pumps with nationwide  
service support.

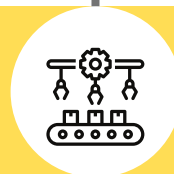

# Our Service

## DESIGN & ENGINEERING

Custom cryogenic pump design based on flow rate, pressure, and application requirements with precision engineering.

## MANUFACTURING

In-house manufacturing with strict quality control, precision machining, and heavy-duty assembly.

## TESTING & QUALITY

100% performance, pressure, and safety testing to ensure reliable and long-life operation.

## INSTALLATION & SERVICE

100% performance, pressure, and safety testing to ensure reliable and long-life operation.

# Why

CHOOSE US

## **QUALITY-DRIVEN MANUFACTURING**

Strict quality standards followed at every production stage to ensure durability, safety, and consistency.

## **ADVANCED ENGINEERING**

Precision-engineered pumps designed for high efficiency, low maintenance, and extreme low-temperature performance.
